AM-One to donate in response to the Turkey-Syria Earthquake

Asset Management One Co., Ltd. ("AM-One"; President & CEO Akira Sugano) would like to express our deepest condolences to those who lost their lives in the massive earthquake that struck southeastern Turkey on February 6, 2023 (the Turkey-Syria Earthquake). AM-One would also like to express our heartfelt sympathy to all those who have been affected in any way by the earthquake.

In response to the earthquake, AM-One has donated to non-profit relief organizations working to support the victims of the Turkey-Syria earthquake in order to address humanitarian needs such as shortages of daily commodities and food, and life-saving efforts. The company has donated a total of JPY 1.4 million to the World Food Programme (WFP) Association and the Japanese Red Cross Society. In addition, as a firm we have agreed to match employee donations in support of humanitarian aid to these two organizations.

Once again, we pray for the souls of those who lost their lives, and for the earliest possible restoration and recovery of the disaster-stricken areas.
