

Creating a sustainable future
through the power of investment

March 16, 2022

Asset Management One Co., Ltd.

On the Current Events in Ukraine

We express our deepest concern and sorrow at events happening in Ukraine.

We express our sympathy to those who are being deprived of their daily lives and suffering as a result of these events. We pray that peace will return to Ukraine as soon as possible.

As an asset manager, our corporate message is “Creating a sustainable future through the power of investment”.

An inclusive stance, acceptance of a diverse set of values, and the ability for each individual to experience larger freedom and well-being are the foundations of a sustainable society.

Asset Management One will continue to do our utmost to act in the best interest of our clients while working to achieve a creative, sustainable society.
