Asset Management One Co., Ltd.

Asset Management One Forms Business Alliance with Blue Fire AI and Invests in Its Holding Company

Asset Management One Co., Ltd. (Chiyoda-ku, Tokyo; President and CEO: Noriyuki Sugihara; hereinafter “Asset Management One”) has entered into a business alliance with Blue Fire AI Pte. Ltd. (“BFAI”), a Singapore-based AI solutions company specializing in the asset management industry. Asset Management One has also invested in BFAI’s holding company, Blue Fire AI Holdings Pte. Ltd.

Through this alliance, Asset Management One intends to further strengthen its investment capabilities by leveraging BFAI’s AI-powered company-level fundamental research capabilities and its expertise in developing and implementing AI solutions for asset management. The two companies will also work to develop new investment products that combine their respective strengths, with the aim of offering these products to a broad range of clients.
